TEAM MANAGER / COMPETITOR NOTES

Riders jump two rounds. Riders will jump the first round and then the second round separately. The second round will be run as a single phase competition, which will combine the second round and the jump off. The first half of the course will be set at the second round height (same as first round height), with the second part of the course set at jump off height (5 cm higher). The course will be timed in two parts, with the second half being recorded as the jump off. The jump off will follow straight on from the first part of the course without stopping. All team and individual members (unless the individual is eliminated in first round) will go forward to the second part of the second round (jump off) unless eliminated in the first half. The second half of the second round (the jump off) will be classed as both the team and individual jump off.

Should a team member be eliminated before reaching the jump off phase in the second round they will not continue forward to the jump off section and the team will continue as a team of three.

All Classes will be in drawn order. Competition will start at approximately 8.30 am.

Timings – will be published on Area 1 website on Thursday 31st October (evening).

It is the **responsibility of each competitor** to ensure their horse vaccination record meets BRC rules and that they are eligible for classes entered.

If invalid documents, ineligible horse or rider is **declared BEFORE** the qualifier competition, all 4 riders can still compete but only 3 valid rider scores will count. If less than 3 are valid, the team may compete if space allows, but entry will be HC.

If any horse or rider at the qualifier is later found to be ineligible, then the **team will be eliminated**, with any qualification being passed to the next eligible team.

In the unlikely event of the event having to be cancelled, a percentage of the entry fee will be retained to cover admin and arena hire costs.

Please note all Championship Invitations are issued by BRC Head Office, as all results require to be verified.

Eligibility Criteria for Horses/ Ponies: See pages 94-99 in the BRC Rule Book. [Check Area 1 website - reference page for any rule changes or amendments from BRC.](#)
